About the Hall of Health

Since 1974, the Hall of Health, a hands-on health museum and science center, has been dedicated to promoting wellness and individual responsibility for health. We are committed to serving children and adolescents of all ability levels and ethnic backgrounds, educators and families.

Become a Member

Your membership benefits include:

- FREE unlimited admission to the Hall of Health for one year
- FREE quarterly newsletter
- FREE admission to community programs and events at the Hall of Health
- 15% discount on Hall of Health birthday parties
- Four FREE guest passes for friends
- FREE admission to more than 270 science centers and museums worldwide. For more information, please visit www.astc.org/about/membership/passlist.htm
- Attentive service from our Hall of Health membership coordinator at 510-705-8527.

Donate to the Museum

Your contribution helps us:

- Provide a wide range of hands-on health exhibits and field trips for school classes and community groups
- Reach more children, adolescents, families and educators
- Provide scholarships for low-income schools to enjoy field trips to the Hall of Health
- Launch new and exciting community programs.
